### From the President:

This is our final newsletter for 2007.

I would encourage everyone to come out to our last General Membership Meeting on November 7th. Elections will be the top priority for this meeting and if anyone is interested in a position on the Board, nominations will be taken from the floor that evening.

I am encouraged by our progress this year and hope we will do even better next year.

I would like to thank all of you who have supported the association with your dues and attendance at the meetings throughout this year.

I have lived in Country Club for twenty-six years, and I can't think of anywhere else in Slidell I would rather live. We have so much going for us! We have beautiful surroundings, our neighborhoods are safe, the Country Club has generously provided a place for us to come together whether business or social and I believe an active homeowners association is the means of preserving all the things we love about where we live!

On behalf of the executive board, I extend our best for a Happy Holiday Season!

**See you next year,  
Barbara Parris, Presi-**

dent
