

# Country Club Estates Homeowners Newsletter

"A Covenants/Deed Restricted Community"

www.CountryClubHOA.com

March  
General  
Membership  
meeting.  
Thursday  
March 13, 2008  
At Pinewood  
Country Club  
Ballroom 7:00  
p.m.

## From the President:

Since this is the first newsletter for 2008 I would like to take this opportunity to announce the creation of our association's new website, [www.CountryClubHOA.com](http://www.CountryClubHOA.com)

Eric Sanders, a member of the homeowners' association has used his knowledge and skills to put together the website. **Thank you Eric, you have done a great job!**

The website is an excellent source of information about Country Club Estates and our association. If you are interested in reviewing the covenants established for the Country Club Estates community they are available on the website. If you wish to pay your annual association dues online you may now do so on a safe

and secure site. A link to our PayPal account is available on the web site. If you wish to check on homeowner's activities you may do so. There are links to: Pinewood Country Club: the City of Slidell, the city council and advertisers who support the newsletters mailed to your homes. If you have comments or suggestions on how we may improve the website or our communication flow, please share your ideas with any of the board members.

I am encouraging all our homeowners to join the association. We look forward to a great year.

Thanks,  
Barbara Parris

## **YARD OF THE MONTH**

### Winners for the month of November

Enjoy games, activities  
and join in the Easter  
Egg Hunt

12pm-2pm

Call the club as they will  
need to know how many  
children will be attend-  
ing.

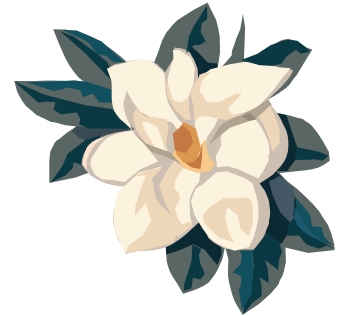

## The Trees are Coming

St. Tammany Parish is offering Homeowner Associations of the parish a variety of tree specimens to be planted in the subdivisions. The purpose of the program, called "Re-Tree St Tammany", is to replace the large number of trees lost following Hurricane Katrina.

Our association will be receiving ten trees later this month and we will be planting them in the common areas of Country Club. Our specimens will include four swamp red maples, three southern live oaks and three southern magnolias.

If you have suggestions of where you would like to see the trees planted please contact us. We will need volunteers to help with the planting the end of March and folks to insure that they stay watered, so if you can assist us with this project please call or e-mail any of your board members.

## Condolences

The Association would like to extend our condolences to Mrs. Bob Gambrell on the recent passing of Mr. Gambrell. Mr and Mrs. Gambrell are long time residents of Country Club and association members for many years. Their son Mike was our treasurer for many years and we extend our condolences to Mike, Laine and their children.

Dish: \_\_\_\_\_ **Recipe** Serves: \_\_\_\_\_

**Crab Soup**

- 2 cans Cream of Mushroom Soup
- 2 cans Cream of Celery
- 1 stick of butter
- 1 Bunch of Green Onions
- 1 lb of Crab Meat
- 1 teaspoon Crab Boil
- Dash of Toni Chachere

Saute green onions in butter. Add soups. Add four (4)cans of milk. Stir in crab meat, crab boil and Toni Chachere. Simmer 30 minutes. Soup freezes well.

**Household hazardous waste to be collected**

Tuesday, February 26, 2008

St. Tammany Parish officials and volunteers will hold a third "household hazardous waste collection day" on **March 15** for residents to dispose of environmentally unsafe materials such as batteries, paint and tires.

The event is scheduled from 9 a.m. to noon in the commuter parking lot next to Northshore Harbor Center south of Slidell.

The parish Department of Environmental Services and the Honey Island Group of the Sierra Club are urging residents to save and pool materials with their neighbors and drop them off for recycling or safe disposal.

The two previous collection days were held in western St. Tammany at the parish government complex north of Mandeville. More than 500 car and pickup loads of material were brought to Koop Drive for disposal for each collection day. Organizers are expecting another big turnout March 15. They said residents should come as early as possible because no materials will be accepted after noon. Materials that will be accepted include latex, oil-based and polyurethane paints in original containers with readable labels; mineral spirits, kerosene, lamp oil and turpentine in original containers with readable labels; all types of batteries; cell phones; fluorescent and incandescent lights; and mercury-containing devices such as thermometers and thermostats.

Computers, monitors, printer and ink jet cartridges, fax machines, televisions, microwave ovens, stereo and radio equipment, typewriters and VCR-DVD players also will be collected.

Residents can drop off up to five automobile or light-truck tires per household at the event.

Organizers are seeking volunteers, 18 or older, for the collection day.

Those who want to volunteer can call (985) 646-4308.

## *Beautification*

*Spring is just around the corner and now is a good time to take a look at your yard and plan for all the color spring and summer plants can add to your landscape.*

*Also, remember “April showers bring May flowers” and storm drains clogged with leaves and debris will stop the flow of water from our streets. Please, if there is a drain in front of or near your home help to keep it cleared.*

*The Association will be sprucing up as well with a work day scheduled for Saturday March 1st. We will meet at the entrance to the Blvd at 8:30 a.m. Volunteers are needed and we ask you to bring rakes, gloves, and small pruning shears. Lunch will be provided by the Country Club for everyone that volunteers.*

Wednesday, March 5th  
Steak Night at the club.  
Cost \$20.00pp

Steak, potatoes, salad and  
Drink specials
