GENERAL INFORMATION

- **WEBSITE** up to date, (a big thanks goes to Janet). You will find flyers to all our events during the year, our newsletters and links to the City of Slidell, Slidell Police Dept., Keep Slidell Beautiful and Pinewood Country Club. **WEBSITE - countryclubhoa.com**
- **SATURDAY, APRIL 9TH** -Volunteers are needed to participate in a painting day at Pinewood. They are concentrating on the outside of the building in the pool area. If you are an HOA member and a Pinewood member they would appreciate your help. Contact Terri, in the club office for details and to sign up.
- If the folks on the east side of Robert Blvd. have noticed that the “Country Club Estates” sign is missing from the wooden post, it is in safe hands. Apparently it was found on the ground in two separate occasions this month. We are not sure if this was due to the severe wind and rain events we have experienced lately or possibly a result of vandalism. We would prefer to think the former. It is, however being repaired and will be re-hung.
- For those on the west side of Robert Blvd, the Country Club has informed us there have been repeated incidents of vandalism on the golf course primarily at night. If you see anything or anyone that appears suspicious please contact the golf shop at 643-6893 or after hours contact Slidell Police Dept.

- As a reminder, for those walking their furry friends on the Blvd. Please pick up your deposits. There are waste bags in the container at the park located at Cheryl Dr. and Country Club for your convenience. They city will resume periodic cutting of the blvd. neutral ground for the summer and they would appreciate our cooperation.
- We are looking for a volunteer to put together our newsletter. At present there are only two newsletters a year, however we would like to provide a quarterly newsletter as a lot of our members have expressed information be provided on a more regular basis. If you are interested please contact Barbara Parris.
- Many of our members have expressed wanting to see more “beautification projects” We would appreciate hearing from you and any suggestions you have for projects we can address in your area.
