A Residential Community with Golf, Tennis, Swimming, Club House and more!

President's Post

Summer is almost here – which means fun and games at the Pinewood pool. The HOA is again partnering with the club to provide a day filled with good barbeque and outdoor festivities to celebrate Memorial Day.

The HOA has also worked closely with Pinewood to provide incentives to join both Pinewood and the Home Owners Association (see article). So far, this endeavor has been successful for both parties. The HOA now has over 200 members!

As school ends, we will have more children and bicycles traveling the roads. Please be mindful of them and the speed limit on the boulevard. Let's have a safe summer.

- ❖ For those of you who missed our March meeting. Mr. Chad Duffaut, with St Tammany Fire Protection Dept. District 1, spoke to us about the recent accreditation of their department. He also had information on the grant providing free smoke detectors to homeowners and the “Vial of Life program.
 - Smoke detectors are provided through the grant and are installed by the department at no charge to the homeowners.
 - The “Vial of Life program is aimed at making sure those persons who have medical issues; whether they live alone or part of a family, have emergency medical information available in a permanent location. A decal located on the exterior of the home would alert first responders that there is vital medical information located inside to assist them in an emergency situation. If you have not already taken advantage of either of these programs you can contact the St. Tammany Fire Protection, District 1 at 985-646-4387 for information concerning either program.
- ❖ A big thank you to Elaine Brown for the holiday decorations at the entrance to Country Club Blvd. and at the North Blvd. entrance to Country Manor. Her efforts are greatly appreciated and her hard work makes those days special for all of us.
- ❖ We hope everyone has noticed the new “Country Club Estates” signs at Robert Rd and East and West Pinewood Dr. The association purchased the signs and the public works department, from the City of Slidell was responsible for the construction and installation of the new posts. Thanks also go to Mr. Thomas Stanley for installing the new signs on the posts.

❖ Pinewood Country Club News

- There is a lot of activity at the club this spring. As many of you know the St. Patrick’s Day golf tournament and party was a great success. Everyone who attended had a great time and the money raised will be used for improvements to the clubhouse.
- Work has begun on the bar area of the club and is scheduled to be completed in the next few weeks.
- Work will soon begin on the exterior of the building with, cleaning, repairing and painting. This will be a big job and will require many volunteers to help with the project. There will be many “work days” and anyone interested in helping out please contact the club.
