PRESIDENT'S POST

Country Club, how do I love thee? Let me count the ways.

I can go in my yard and watch a multitude of birds swoop in for some seed; squirrels chase each other up and down the trees; see fireflies at dusk; relax to the sound of the fountain; observe the moon and stars at night; listen to the laughter of children playing in the park; see my friends and neighbors walk or ride by.

These are only some of the reasons Country Club is such a fantastic place to be.

We all share the responsibility of ownership. Let us continue to be mindful of each other and the beauty surrounding us.

Michon Breisacher Shinn

REMINDERS TO KEEP OUR NEIGHBORHOODS

LOOKING THEIR BEST

Please refrain from parking vehicles on the neutral ground, your lawns or sidewalks. This does not present an appealing look and during periods of frequent rainfall can damage any landscaping or irrigation systems.

For our neighbors with furry friends, kindly remember to scoop the poop! Please do not leave your pets waste on the public areas. This is unsightly on many levels and poses a problem for the city's mowers that cut and trim our neutral ground on the boulevard. Bring a little plastic bag on your walk for waste disposal; it will be greatly appreciated.

For those of you in Old Country Club, there is a pet waste receptacle in front of the park at Cheryl Drive for your convenience.

We will contact the city to see if a similar receptacle could be placed at the park at the corner of Grafton and Northam Ct.

Our Country Club Garden Club discontinued their monthly meetings last year due to their small numbers. If anyone is interested in forming a new group please contact any of our board members for assistance. The garden club had many informative meetings with guest speakers and were responsible for the "Yard of the Month" and Christmas decorating contest. Now that Pinewood is open for lunch, meetings could be held at the country club for invited speakers and demonstrations.

Ballroom dancing lessons will also be offered starting October 22nd. As of this newsletter lessons will be offered for 4 weeks on Thursday evenings from 6:30pm -7:30pm. (More information will follow via your e mails) or you can contact Terri at the club with any inquires.

Night Out Against Crime— OCTOBER 13th

Our annual Night out Evening was a big success last year and we hope everyone will come out on the 13th. The party begins at 5:30 pm at the club with plenty of food, activities for the kids and of course visits from Slidell’s first responders.

PINEWOOD CLUB MEMBERSHIP

We appreciate all who have stepped up with a club membership at Pinewood and encourage those who have not taken advantage of the very reasonable membership dues to do so. (\$35.00 per HOA household a month and \$25.00 for those members over 70 yrs.)

The HOA will continue to work with Pinewood to make the club a neighborhood meeting place with events and programs for all ages.

HOA GENERAL MEMBERSHIP MEETING

Our last General Membership meeting for 2015 will be Thursday evening, November 12 at 7:00 pm.

As most of you know, elections are held at this meeting each year to fill three board positions.

Some of you may not know that prior to Katrina the HOA was in an inactive state. In 2007 a group of neighbors met, formed a board and following the bylaws originally drafted many years ago, began holding regular meetings.

A number of the board members today have continually volunteered their time all these years.

For the HOA to continue to serve the neighborhoods, we are asking you to consider submitting your name as a nominee for a board position. The board members, whose three year term is ending, are also eligible to place their name on the ballot and agree to serve another term.

The board meets 4 times a year which is one evening every three months. PLEASE CONSIDER A BOARD POSTION THIS NOVEMBER.
