

2011 SPRING EDITION

*Slidell*  
**Country Club Estates**

*‘Making Great Strides for a Better Community’*  
**Homeowners Association**

Dear Friends and Neighbors:

Let me begin by thanking everyone for their tremendous support last year. We had record turnouts at the various social events, which proved to be a huge success with members and non-members alike. The goal of this year’s Board is to continue to sponsor these events, and to attempt to provide something interesting and entertaining for everyone.

To better accomplish this, the goals for this year will be focused on continued active community involvement, new and more frequent social events, family events, couples events and many other functions, all designed to bring our fellow neighbors together and to promote a better sense of commonality in both the Country Club Estates and at Pinewood Country Club. A sample of these planned events and activities include bunco night, instructed painting party (with a twist), Easter, 4<sup>th</sup> of July, Memorial Day, Labor Day, Halloween and Christmas parties, neighborhood beautification projects and many more. If you have ideas for any events you would like us to host, please let us know!

The next Homeowners  
Association meeting is  
scheduled for  
**Thursday  
March 10th**

Additionally, we are planning to host our yearly political guest speakers, to provide crime and neighborhood safety reports from the Police Department, and to relay important updates regarding local and Parish construction and economic developments. Local representatives such as Slidell City Councilman Bill Borchert and Louisiana State Representative Greg Kromer will be asked to speak about local affairs and to give updates about events directly impacting our community.

Most of all, the Board, wants to continue to hear all of your opinions, suggestions and concerns so that we may have an opportunity to act on your behalves. We kindly ask for you to join our team so that we may face and resolve any issues together. Tell your friends and neighbors to be a part of shaping our community by joining the Association.

These Homeowners’ meetings are great opportunities to ask questions and to voice your opinions to important delegates and community leaders, so please come out and be heard. We want to hear from you!

Thank you for your support. We hope 2011 proves to be our most prosperous year yet!

Sincerely,

Warren Bankston  
President

## Beautification News

Winter is just about over and it's time to think about sprucing up our lawns and planting the flower beds. The Garden Club will resume their 'Yard of the Month' judging soon, so maybe your yard will be chosen as the yard for everyone else to envy.

The HOA is looking for someone to help create wooden signs to put on the corner of West and East Pinewood at Robert Rd — similar to the wooden sign on East Pinewood that currently has the street name on it. We would like the two new signs to read "Country Club Estates".

If one of you, or a friend of yours, has any woodworking skills, your volunteer efforts would be greatly appreciated. Please contact any one of the Board members. Thanks . . .
